Subject: Change Your Underwear Often

Some things just wont bring CHANGE!

There's an old sea story about a ship's Captain who inspected his sailors, and afterward told the first mate that his men smelled bad...

The Captain suggested perhaps it would help if the sailors would change underwear occasionally.

The first mate responded, "Aye, aye sir, I'll see to it immediately!"

The first mate went straight to the sailors berth deck and announced, "The Captain thinks you guys smell bad and wants you to change your underwear."

He continued, "Pittman, you change with Jones, McCarthy, you change with Witkowski, and Brown, you change with Schultz."

## **THE MORAL OF THE STORY:**

Someone may come along and promise "Change",

but don't count on things smelling any better.

I THINK YOU WILL FORWARD THIS!

The moral of the story is trading one problem for another does not solve the problem. Choosing a conservative Republican to be president would be more like taking back an abusive husband. You know he is going to treat you like a rented mule, but you are more afraid of the boogie man of change.
