YOU ARE NOT GOING TO LIKE THIS...

At age 76 when you most need it, you are not eligible for cancer treatment

What Nancy Pelosi didn't want us to know until after the healthcare bill was passed. Remember she said, "pass it and then read it!!." Here it is!

Obama Care Highlighted by Page Number

THE CARE BILL HB 3200

JUDGE KITHIL IS THE 2ND OFFICIAL WHO HAS OUTLINED THESE PARTS OF THE CARE BILL.

Judge Kithil of Marble Falls, TX - highlighted the most egregious pages of HB3200

Please read this..... especially the reference to pages 58 & 59

JUDGE KITHIL wrote:

**** Page 50/section 152: The bill will provide insurance to all non-U.S. residents, even if they are here illegally.**

**** Page 58 and 59: The government will have real-time access to an individual's bank account and will have the authority to make electronic fund**

transfers from those accounts.

** Page 65/section 164: The plan will be subsidized (by the government) for all union members, union retirees and for community organizations (such as the Association of Community Organizations for Reform Now - ACORN).

** Page 203/line 14-15: The tax imposed under this section will not be treated as a tax. (How could anybody in their right mind come up with that?)

** Page 241 and 253: Doctors will all be paid the same regardless of specialty, and the government will set all doctors' fees.

** Page 272. section 1145: Cancer hospital will ration care according to the patient's age.

** Page 317 and 321: The government will impose a prohibition on hospital expansion; however, communities may petition for an exception.

** Page 425, line 4-12: The government mandates advance-care planning consultations. Those on Social Security will be required to attend an "end-of-life planning" seminar every five years. (Death counseling..)

** Page 429, line 13-25: The government will specify which doctors can write an end-of-life order.

HAD ENOUGH???? Judge Kithil then goes on to identify:

"Finally, it is specifically stated that this bill will not apply to members of Congress. Members of Congress are already exempt from the Social Security system, and have a well-funded private plan that covers their retirement needs. If they were on our Social Security plan, I believe they would find a very quick 'fix' to make the plan financially sound for their future."

- **Honorable David Kithil of Marble Falls, Texas**

All of the above should give you the ammo you need to support your opposition to Obamacare. Please send this information on to all of your email contacts.

"The democracy will cease to exist when you take away from those who are willing to work and give to those who would not."

Even the quote of Jefferson is from a work of complete fiction penned by a fan of Ayn Rand.

The democracy will cease to exist when you take away from those who are willing to work and give to those who would not."-**Unproven! This quote was not found in the Jeffersonian Cyclopedia but several people have attributed this to Jefferson.**

The democracy will cease to exist when you take away from those who are willing to work and give to those who would not.

- [Thomas Jefferson](#) as quoted in *Dreams Come Due: Government And Economics As If Freedom Mattered* (1986) by John Galt, p. 312

Did Thomas Jefferson write:

The democracy will cease to exist when you take away from those who are willing to work and give to those who would not

No. It's a modern fake, first seen in 1986 in a book written under the pseudonym John Galt, the name of a character in a piece of once-popular fiction (Ayn Rand's *Atlas Shrugged*).

Politifact.com checked the facts of the rest of the chain email and states

Most of what the e-mail says is wrong. In fact, it's a clearinghouse of bad information circulating around the Web about proposed health care changes

A complete breakdown of the propaganda was published July 30, 2009. You could figure this out for yourself if were not so eager for ideological reinforcement.
