THE CARE BILL HB 3200

JUDGE KITHIL IS THE 2ND OFFICIAL WHO HAS OUTLINED THESE PARTS OF THE CARE BILL.

Judge Kithil of Marble Falls, TX - highlighted the most egregious pages of HB3200

Please read this..... especially the reference to pages 58 & 59

JUDGE KITHIL wrote:

**** Page 50/section 152:** The bill will provide insurance to all non-U.S. residents, even if they are here illegally.

**** Page 58 and 59:** The government will have real-time access to an individual's bank account and will have the authority to make electronic fund transfers from those accounts.

**** Page 65/section 164:** The plan will be subsidized (by the government) for all union members, union retirees and for community organizations (such as the Association of Community Organizations for Reform Now - ACORN).

**** Page 203/line 14-15:** The tax imposed under this section will not be treated as a tax. (How could anybody in their right mind come up with that?)

**** Page 241 and 253:** Doctors will all be paid the same regardless of specialty, and the government will set all doctors' fees.

**** Page 272. section 1145:** Cancer hospital will ration care according to the patient's age.

**** Page 317 and 321:** The government will impose a prohibition on hospital expansion; however, communities may petition for an exception.

**** Page 425, line 4-12:** The government mandates advance-care planning consultations. Those on Social Security will be required to attend an "end-of-life planning" seminar every five years. (Death counseling..)

**** Page 429, line 13-25:** The government will specify which doctors can write an end-of-life order.

HAD ENOUGH???? Judge Kithil then goes on to identify:

"Finally, it is specifically stated that this bill will not apply to members of Congress. Members of Congress are already exempt from the Social Security system, and have a well-funded private plan that covers their retirement needs. If they were on our Social Security plan, I believe they would find a very quick 'fix' to make the plan financially sound for their future."

- Honorable David Kithil of Marble Falls, Texas

Put the money under the mattress because you will need a ton of it if Obama care is aborted. You will not suffer because we tried to provide basic healthcare to all our citizens. There is no arbitrary age cut off for benefits, but we do throw an awful lot of money at denying the inevitable, and it needs to be addressed. That is difficult when the cry of death panels activate the base fear alarm.

The claims in the chain email are once again as ugly as the rot that is bankrupting capitalism.

The straight story provided via the link is long and involved, but well researched.

The same misrepresentations of the bill in your chain email are addressed by this nonprofit consumer advocate fact checking project of the Annenberg Public Policy Center at the University of Pennsylvania.

Your stream of disinformation has slowed lately. Are your fiction writers too busy pitching in the primary contests? I thought I detected that same sulfuric whiff of propaganda twisted ideological unreality, in both venues.
